**STATEMENT OF DIRECTORS' RESPONSIBILITIES**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

---

The directors are required in terms of the Companies Act of Zambia to maintain adequate accounting records and are responsible for the content and integrity of the financial statements and related financial information included in this report. It is their responsibility to ensure that the financial statements fairly present the state of affairs of the company as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with Generally Accepted Accounting Principles (GAAP). The external auditors are engaged to express an independent opinion on the financial statements.

The financial statements are prepared in accordance with Generally Accepted Accounting Principles and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the board sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the company and all employees are required to maintain the highest ethical standards in ensuring the company's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company. While operating risk cannot be fully eliminated, the company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The directors have reviewed the company's cash flow forecast for the year to 31 December 2022 and, in light of this review and the current financial position, they are satisfied that the company has or had access to adequate resources to continue in operational existence for the foreseeable future.

## **Independent Auditor's Report**

**To the members of Bakashana Basambilile Limited**

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the financial statements of Bakashana Basambilile Limited (the company) set out on pages 9 to 19, which comprise the statement of financial position as at 31 December 2022, statement of income and expenditure, statement of changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Bakashana Basambilile Limited as at 31 December 2022, and its financial performance and cash flows for the year then ended in accordance with US Generally Accepted Accounting Principles and the requirements of the Companies Act of Zambia.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (Parts 1 and 3) (IESBA Code) and other independence requirements applicable to performing audits of financial statements in Zambia. We have fulfilled our other ethical responsibilities in accordance with the IESBA Code and in accordance with other ethical requirements applicable to performing audits in Zambia. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Other Matter**

In common with similar organisations, income from donations cannot be readily verified until its inclusion in the accounting records. We have therefore, relied upon management's representation that all transactions entered into by and on behalf of the organisation were valid and in agreement with the terms and conditions of the specific donors.

#### **Other Information**

The directors are responsible for the other information. The other information comprises the General Information on page 1; the Directors' Report on pages 3 to 5; the Directors' Responsibilities and Approval statement on page 6; and the supplementary information on page 20. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of the Directors for the Financial Statements**

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and the requirements of the Companies Act of Zambia, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Report on Other Legal and Regulatory Requirements**

In accordance with Section 259 (3) of the Companies Act of Zambia ("the Act"), we report that in our opinion:

- there is no relationship, interest or debt we have with the company; and
- there were no serious breaches of corporate governance principles or practices by the Directors. In the absence of the Act specifying the criteria for purposes of reporting on serious breaches of corporate governance principles or practices by the Directors, as required by section 259 (3)(b) of the Act, we express our opinion based on the corporate governance provisions of the Act, Part VII - Corporate Governance of the Companies Act of Zambia.

**BAKASHANA BASAMBILILE LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

---

**Corporate information**

Bakashana Basambilile Limited is a company limited by guarantee and was incorporated in Zambia on 12 October 2012. The address of its registered office, principal place of business and principal activities are set out on page 1 of the financial statements.

**1. Significant accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below.

**1.1 Statement of compliance**

The financial statements have been prepared on the going concern basis in accordance with, and in compliance with, Generally Accepted Accounting Principles (GAAP) and the requirements of the Companies Act of Zambia.

**1.2 Basis of preparation**

The financial statements have been prepared on the historic cost convention, unless otherwise stated in the accounting policies which follow and incorporate the principal accounting policies set out below. They are presented in United States Dollars which is the company's functional currency.

These accounting policies are consistent with the previous period.

**1.3 Significant judgements and sources of estimation uncertainty**

The preparation of financial statements in conformity with GAAP requires management, from time to time, to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

**Critical judgements in applying accounting policies**

Management did not make critical judgements in the application of accounting policies, which would significantly affect the financial statements.

**Key sources of estimation uncertainty**

**Useful lives of property, plant and equipment**

Management assess the appropriateness of the useful lives of property, plant and equipment at the end of each reporting period. The useful lives of each class of property, plant and equipment are determined based on company replacement policies for the various assets. Individual assets within these classes, which have a significant carrying amount are assessed separately to consider whether replacement will be necessary outside of normal replacement parameters.

When the estimated useful life of an asset differs from previous estimates, the change is applied prospectively in the determination of the depreciation charge.

**Provisions**

Provisions are inherently based on assumptions and estimates using the best information available.

**1.4 Property, plant and equipment**

Property, plant and equipment are tangible assets which the company holds for its own use or for rental to others and which are expected to be used for more than one year.

Land, buildings and improvements, and equipment purchased by Bakashana Basambilile Limited are recorded at cost. Donated fixed assets are capitalized at fair value at the date of donation. Depreciation is provided on the straight-line method based upon the estimated useful lives of the assets. Leasehold improvements are amortized over the shorter of the lease term plus renewal options or the estimated useful lives of the improvements.

**BAKASHANA BASAMBILILE LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

---

Property, plant and equipment are depreciated over their useful lives on a straight-line basis as follows:

Buildings	27 years
Other buildings	10 years
Motor vehicles	4 years
Office equipment and fittings	4 years

**1.5 Accounts and contributions receivable**

Accounts and contributions receivable represent promised amounts due from individuals and organisations in contributions to Bakashana Basambilile's programs. Management considers all amounts collectible; therefore, no allowance has been recorded as at 31 December 2022 (2021: nil).

Unconditional gifts expected to be collected within one year are reported at their fair value. Unconditional gifts expected to be collected in future years are reported at their discounted amounts. Bakashana Basambilile had no unconditional gifts expected to be collected in future years, as at 31 December 2022 (2021: nil).

**1.6 Investments**

Bakashana Basambilile Limited holds no investments at this time. All cash is held in various checking accounts, where minimal interest is earned.

**1.7 Net assets**

Bakashana Basambilile reports information regarding its financial position and activities according to four classes of net assets: unrestricted net assets, board-restricted net assets, temporarily restricted net assets, and permanently restricted net assets (omitted currently, because no permanently restricted net assets exist).

**Unrestricted amounts** are those currently available at the discretion of the Board of Directors ("Board") for use in the Bakashana's operations, fundraising, and certain programs.

**Board-restricted amounts** are those without donor restrictions that are subject to self-imposed limits by action of the governing board. Board-designated net assets may be earmarked for future programs, investments, contingencies, purchase or construction of fixed assets or other uses.

**Temporarily restricted amounts** are monies restricted by donors specifically for certain purposes or programs; these monies are available for use by Bakashana for the restricted purpose.

**Permanently restricted amounts** are assets that must be maintained permanently by Bakashana, as required by the donor. As at 31 December 2022, Bakashana did not have any permanently restricted amounts (2021: nil).

**1.8 Contributions**

Gifts of cash and other assets received without donor stipulations are reported as unrestricted contributions. Gifts received with a donor stipulation that limits their use are reported as temporarily or permanently restricted contributions. When a donor-stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as net assets released from restrictions.

Gifts of land, buildings, equipment, and other long-lived assets are reported as unrestricted contributions unless explicit donor stipulations specify how such assets must be used, in which case the gifts are reported as temporarily or permanently restricted contributions. Absent explicit donor stipulations for the time that long-lived assets must be held, expirations of restrictions resulting in reclassification of temporarily restricted net assets as unrestricted net assets are reported when the long-lived assets are placed in service.

**1.9 Functional expenses**

Expenses incurred directly for a program service are charged to that program. Certain overhead costs are also allocated to programs on a pro rata basis by time/ resource utilization among each program.

**BAKASHANA BASAMBILILE LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

**1.10 Income taxes**

Bakashana Basambilile Limited is exempt from Zambian federal income taxes on donations or grants received through recognition as a Public Benefit Organisation (PBO) by the Zambian Revenue Authority (ZRA).

**1.11 Fair value measurements, investments, and exchange rates**

Bakashana Basambilile's policy requires the sale of all Securities, and thus the organization holds only tangible and cash assets. Regarding the valuation of tangible assets, the organization values these assets based on the price paid for the asset, or the estimated fair market value on the day of donation of the asset (in the case of donated goods).

Expenses incurred in Zambian Kwacha currency are translated into Bakashana's functional currency (USD), based on the mid-market exchange rate on the day the transaction occurred. Exchange gains or losses are included in "Other Income / Expense".
